

ClickOn Connect

GETTING STARTED

CLICKON COMMUNICATIONS

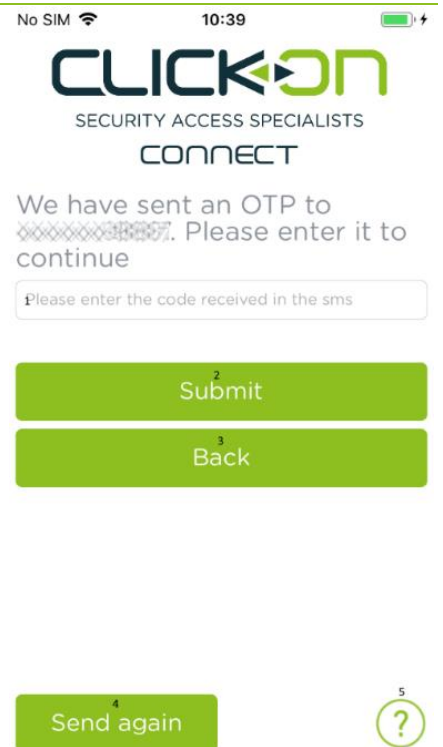

Step 1 - Registration

Open the ClickOn Connect app and you will be presented with a screen to start your **registration** process. Please proceed to enter your mobile number. If your number is not listed on the estate profile you will be prompted that you are not enabled for the app.

Step 2 – Number Verification

You will then be prompted for **OTP verification** if you did not receive your OTP within 1 minute, please tap on the Send Again button:

Step 3 – Password Verification

Enter the password you wish to use 

Re-enter the password you wish to use 

Your password needs to be at least 6 characters, one special character, one lowercase character and one uppercase character

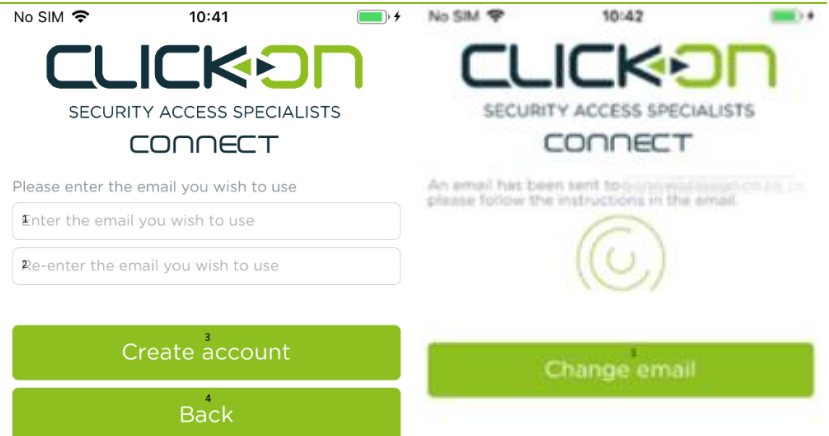

Once your number has been verified using an **OTP**, you will be required to enter and verify your **password**. Please note that your **password** must be **minimum 6 characters with atleast one special, one lowercase and one uppercase character**. Special characters range from **!@#%&^*()**

SUBMIT

Step 4 – Email Verification

The final step involves verifying your email address. Please enter your personal email address in both email and email verification fields. Once you tap on the **Create Account** button, a **confirmation email** is sent to the entered email address. Review **your inbox, clutter or junk mail folder** and follow the confirmation instructions in the email attached originating from webmaster@clickon.co.za.

If you do not receive any email, please **confirm the email address** entered and if you notice a typo, proceed to tap on the **Change Email** address button and start over with this step.
